Discounts for Individuals, Ministries, and Churches

In general, we try to keep our prices low. But we do offer discounts at these levels on most items:

20 or more of a single title: 20% discount

50 or more of a single title: 30% discount

100 or more of a single title: ask if any further discounts are available for that title

SwordGrip flipbooks, 14:6 flipbooks, & Classics bundles (book + cards) have a special 20% discount when you purchase three or more copies. (For this discount, you're welcome to mix and match within the series, such as OT/NT and/or translations.)

Due to supplier/printing costs, we have **some exceptions and limitations** on discounts. See the next page for the most current exceptions and limitations. 8.5 x 11 memory booklets generally do not have discounts because they are printed on-demand in our office.

To place an order: go to scripturememory.com, call **888.569.2560**, or email contact@scripturememory.com. If you prefer to mail a check, please call first with your list of items; we'll give you the full total with sales tax (if applicable) and shipping. This will allow your check to process promptly when it is received.

Please do not allow finances to stand in the way. If you can use our resources, we want you to have them! If you have a financial need situation, contact us. We'll work with you on a pay-as-you-can-afford basis.

Discounts for Bookstores/Distributors*

The bookstore/distributor discount is **40% off retail on most titles**, but we reserve the right to exceptions and limitations due to supplier/printing costs, etc. Our goal is to have low retail prices for the general public, and thus provide accessible resources for everyone to memorize God's Word. Due to the labor involved, titles printed on-demand in our office (such as 8.5x11 memory courses) do not have a discount option.

Orders must meet a **minimum of \$85 retail value (or \$50 after discount)** to qualify for the bookstore/distributor discount. This includes dropship orders.

For **MAP**, please do not sell our resources for less than our retail prices. You may, however, use any discounts/bundle prices currently listed on our website. For more information on these, contact us.

Shipping and handling varies according to these guidelines:

Shipping – USPS Media Mail will be billed with the order. The SMF office does not have a FedEx or UPS daily pickup, so a \$5 drop off handling fee will be added if you request those services. Alternatively, the bookstore/distributor's UPS account number may be used if provided and requested; a pick up fee may also be charged to your account number.

Handling – A nominal handling fee will be billed with the order. Amount varies with order size. Handling fee is waived on orders totaling \$250 retail value (or \$150.00 after discount).

Normal processing is 1-2 business days from receipt of order. Large orders may have longer processing time.

If you wish to **establish credit**, you must pay your first order with a credit or debit card. We will invoice (Net 30) subsequent orders if requested.

You may view many of our materials at scripturememory.com, but please order by phone or e-mail (preferred) to secure discount.

*Distributor – publicly promotes our products by means of a catalog, sales sheet, sales rep, website, etc.
