## NOW AVAILABLE: GIVE ME THIS MOUNTAIN

**"Now therefore, give me this mountain of which the LORD spoke... It may be that the LORD will be with me, and I shall be able to drive them out as the LORD said."  
(Josh. 14:12)**

SMF is excited to announce the release of a brand-new Scripture memory course: Give Me This Mountain – The Senior Saints' Guide to Spiritual Victory. This Scripture memory course is designed specifically for elder saints and presents biblical truths to comfort, convict, and inform daily living.

Give Me This Mountain is based on Caleb's profound statement of faith in Joshua 14:12. After decades of fruitful communion with God, his drive to serve and be stretched remained strong. How can veteran saints, like Caleb, rise to the occasion and conquer life's crowning peaks? Give Me This Mountain answers this question over the course of ten weeks with 34 memory verses, thought-provoking study questions, and weekly devotionals.

This 5" X 7" booklet is available in ESV, KJV, and NKJV. Order a copy for yourself, your parents, or your grandparents for just \$7 at [scripturememory.com/mountain](http://scripturememory.com/mountain).

## INDONESIA UPDATE

by Phil Walker

*"Many are the plans in the mind of a man, but it is the purpose of the LORD that will stand." (Prov. 19:21)*

*We came to the U.S. on a short-term visit to see loved ones, connect with our partners, and share about the mission with others. God changed our brief sojourn into an extended stay. Due to Jacky's process of obtaining American citizenship, it has become necessary for us to remain stateside longer. Although unexpected, we trust in God's sovereign watch-care over the situation (Psa. 121:8).*

*Despite changing plans, the ministry of Scripture memory in Indonesia continues. Modern technology and faithful helpers allow me to oversee the ongoing work. An exciting result is the success of our helpers teaching Bible memory in local schools. Their focus is equipping students to memorize and love God's Word. Pictured is Atrina with a group of sixth graders in Pontianak, West Kalimantan.*

*Please pray for God's blessing as we navigate a new way of carrying out our ministry for the time being. As always, thank you for your prayers and financial support.*

## SCRIPTURE MEMORY TIP: USE A MEMORY GRID

Are you looking for a new way to memorize chapters or even complete books of the Bible? Try making a Memory Grid. A Memory Grid resembles a calendar, dividing your memory passage into rows containing five boxes per row. Each box includes the verse number and the first letter of every word in the verse. Every fifth box is a different color to help you visualize the flow of your passage.

What makes the Memory Grid method so effective? By revealing just the first letter of each word, your Memory Grid will help you say your passage correctly during the early stages of memorization. Color-coding every fifth verse also helps you visualize your passage and stay on track when reciting.

Creating your own Memory Grid is simple and takes less than a minute using SMF's online Memory Grid generator. Just pick a chapter to memorize, then visit [scripturememory.com/memorygrid](http://scripturememory.com/memorygrid) to download a printable memory grid in the translation of your choice.

## Christ Above All

Attention Pastors and Ministry Leaders! Consider making Scripture memory an active part of your church's life by memorizing together. Christ Above All takes you on a journey through the foundational passages of Colossians. Memorize these 31 key verses from Colossians to gain a deeper appreciation and love for the person, work, and role of our Lord and Savior Jesus Christ. Memory course contains memory verses, commentary, study questions, and journaling space. Available in ESV, KJV, NKJV, and NASB95.

## MINISTRY UPDATE: ABOVE ALL WE ASK OR THINK

Ephesians 3:20 reveals a familiar truth. Praying that the Ephesians would be “strengthened with power” (vs. 16) and fully know “the love of Christ that surpasses knowledge” (vs. 19), Paul reached the faith-filled conclusion that God “is able to do far more abundantly than all that we ask or think, according to the power at work within us” (vs. 20).

When the edification of God’s people is at stake, it’s impossible to overestimate what He will do. At Scripture Memory Fellowship, we have been amazed by countless demonstrations of God’s power and provision in recent days. Here are just a few examples of how God has been at work in the ministry of SMF:

**Growing Staff.** SMF is pleased to welcome Hannah Kohner as the newest member of our ministry team. Hannah will serve part-time as our Digital Media Specialist, overseeing various aspects of our growing digital ministry—including The Scripture Memory Podcast (coming soon).

**Media Room.** A highlight of January was the construction of our all-new media room at SMF headquarters. This 18' x 13' space provides a professional environment for recording Scripture memory videos and podcasts.

**Give Me This Mountain.** SMF's newest memory course (pg. 1) includes 34 memory verses with devotional material prepared especially for senior saints. Please join us in praying that many lives will be impacted by the launch of this resource.

As we consider these milestones and look forward to the many opportunities ahead, we praise God for your continued prayers and financial support. "To him be glory in the church and in Christ Jesus throughout all generations, forever and ever. Amen." (Eph. 3:21)
