## THE SCRIPTURE MEMORY PODCAST

"More than a book!" That's the Christian claim. Yet, for many believers, Scripture memorization remains a neglected part of our lives. That's why, after much prayer, planning, and preparation, SMF is excited to launch The Scripture Memory Podcast.

The Scripture Memory Podcast is designed to "sharpen the edge" of your Scripture memorization with practical memory tips, as well as compelling stories and strategies from special guests. Wherever you are in your Scripture memory journey, we trust you'll be encouraged, equipped, and challenged by this new resource.

## INDONESIA UPDATE

by Phil Walker

"...your right hand supported me, and your gentleness made me great." (Psalm 18:35)

Commenting on this verse, Dr. N.A. Woychuk writes, "Secret but sure support is administered to believers by the preserving grace of God." We have witnessed this truth in recent months. We desire to return to Indonesia and the work of Scripture memory, but we remain in the U.S., navigating visa and citizenship complexities. The Lord has supported and strengthened us during this season of waiting. I am happy to report that through the blessing of modern technology and our faithful Indonesian assistants, the ministry of Bible memory grows. We are so thankful to be able to send our full-time worker, Kenisa, to be the Scripture memory coordinator at a Bible school in Sibolga and an orphanage in the area. Please pray for the quick resolution of our citizenship matters and endurance for our faithful Indonesian helpers.

## CAMP 2022: THE LEGACY LIVES ON

Scripture Memory Camp is a unique vision birthed by SMF's founder over seven decades ago. We are thankful to say that in 2022 that legacy will live on. This year's camp is on track to be one of the largest in recent memory! At this time, dozens of campers across the country are learning our Bible memory course called *The Classics*. The 100 foundational verses that make up the course stand to change their lives forever. Well into adulthood, when in need of godly wisdom, our campers will reflect on these Scriptures and find guidance. God's Word in their hearts will forever remain with them!

Psalm 145:4 sums up our heartfelt prayer for camp: "One generation shall commend your works to another, and shall declare your mighty acts." We want this coming generation of campers to know God relationally and celebrate His goodness all their lives. Please partner in prayer with us and ask God to do this work through His Word at Scripture Memory Camp 2022!

# MINISTRY UPDATE

**"His divine power has granted to us all things that pertain to life and godliness, through the knowledge of him who called us to his own glory and excellence," (2 Peter 1:3)**

This well-known verse contains a powerful reason to memorize Scripture. Notice how "all things that pertain to life and godliness" are administered: "through the knowledge" of God. Where else do we gain true knowledge of God but in the holy Scriptures? By hiding His Word in our hearts, "all things that pertain to life and godliness" are brought that much closer.

To help families experience this blessing, SMF recently attended one of the nation's largest homeschool conventions in Cincinnati, Ohio. This event was attended by thousands of families, many of them eager to memorize Scripture. Although SMF has attended dozens of events like this over the last decade, this one was a complete standout: hundreds of Scripture memory resources went home with families from across the Midwest. More than ever, parents seemed to recognize the urgency of their children knowing God's Word from a young age. Those families are now using programs like *SwordGrip* and *The Classics* to make Scripture memorization an integral part of their homeschool curriculum.

We also praise God that The Scripture Memory Podcast (pg. 1) is gaining traction. After listening to one of our first episodes, a memorizer from Canada sent this encouraging testimony:

*"I started to...memorize Scripture but stopped because I thought I was too busy. Listening to this today, I realize nobody is ever too busy for the important things in life, and memorizing Scripture is one of those things. So I'm going back to memorizing Scripture again."*

God's Word is life-changing, and the generous support of donors like you helps people around the world experience the transformative effects of memorizing. Please keep SMF in your prayers, and hide God's Word in your heart as "a lamp shining in a dark place, until the day dawns and the morning star rises in your hearts" (2 Pet. 1:19).
