

SCRIPTURE MEMORY — FELLOWSHIP —

Know Scripture. Live Scripture. Love Scripture.

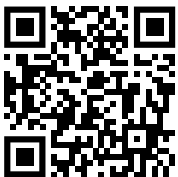

MARCH 2024

INTRODUCING PRAYER

Are you interested in knowing what the Bible teaches about essential topics for daily, godly living? Then the Spiritual Life Series is for you! This series is designed to help you “keep in step with the Spirit” by memorizing critical Scriptures on various practical topics (Gal. 5:25). **SMF is pleased to announce a new addition to the series: Prayer.**

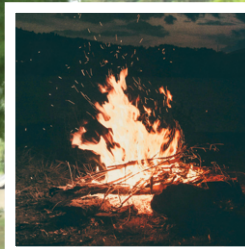

Prayer is a brief topical memory course of 15 verses. It focuses on the elements of prayer as defined and prescribed by Scripture. Over these five lessons, you will memorize verses to inform and guide your prayer life. We hope you will embrace each component of prayer and use them daily as you commune with the Lord.

***Prayer* is available for \$5 in ESV, KJV, and NKJV.**

MEMORIZER'S TESTIMONY

Cheryl L.

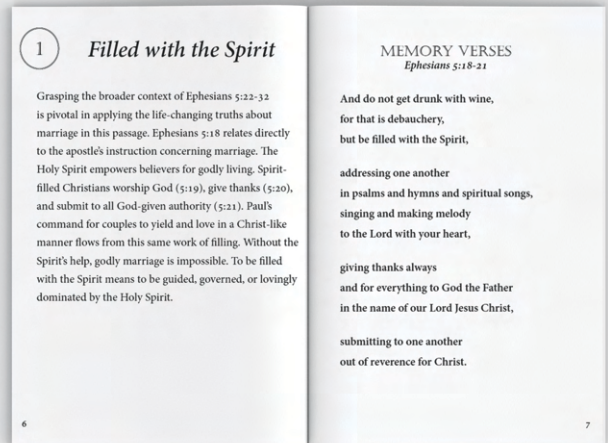

I never really thought about trying to memorize Scripture. However, in recent years, I've had the desire but questioned if I could because my short-term memory isn't so great. Recently, I started helping with my church's AWANA program. As an adult, I did not want to be a hypocrite trying to help motivate kids to memorize without also doing it myself. I found your VerseLocker App—which I do not doubt was with the work of the Holy Spirit. It is helping me tremendously! And God is using the Scriptures that I've been working on to speak to me. Nothing is better than to hear God "speak" His words to me.

MINISTRY UPDATE

For many, daily life is a battle against distractions. We face a nearly constant barrage of headlines, memes, text messages, emails, and notifications. In an age when most adults spend more than two hours each day on social media, the prayer of Psalm 119:37 seems particularly appropriate: “Turn my eyes from looking at worthless things; and give me life in your ways.”

As SMF seeks to help believers around the world turn their attention from the “worthless” and temporary to the invaluable and eternal, we praise God for these recent milestones:

- Last month, SMF hosted our first-ever “Like a Tree” Scripture Memory Conference in New Hampshire. This two-day event featured workshops hosted by SMF staff on how and why to memorize Scripture as well as live recitations from 1 Peter and the Sermon on the Mount. Some attendees were motivated to reengage with Bible memory, and others started memorizing for the first time. Praise the Lord!
- We also released *Prayer*, the latest installment in SMF’s Spiritual Life Series (pg. 1). The 15 verses in this memory course will strengthen your walk with God as you examine five key elements of a biblical prayer life. Learn more and order your copy at scripturememory.com/prayer.

Looking ahead, our staff is in the final stages of producing *The Life*, the third installment in our popular 14:6 series. This 28-week memory course will feature 84 verses on following Jesus. It is scheduled for release this summer. Please pray for God’s blessing on the finalization and launch of this new resource as well as our annual travel season (scripturememory.com/events).

These initiatives are made possible through the prayers and financial support of memorizers like you. Thank you for your role in SMF’s continued ministry. Please remember us in prayer, and let us know how we can pray for you.
