Introducing 14:6 - The Life

Do you want to grow in your relationship with Christ? Allow Scripture to guide you toward a more committed life of obedience with SMF's newest resource!

14:6 - The Life provides a systematic overview of what it means to follow Christ by emphasizing key spiritual disciplines. Over the course of 28 weeks, you'll memorize up to 84 verses that will help you mature as a disciple. The seven questions posited in *14:6 - The Life* highlight key areas of obedience required for every Christian, young and old. The layout of *14:6 - The Life* follows a question-and-answer format similar to a catechism. The memorizer does not learn how to follow Christ from man's pen but from the very Word of God.

With God's Word hidden in your heart, you will "grow in the grace and knowledge of our Lord and Savior Jesus Christ" (2 Pet. 3:18).

14:6 - The Life is available for \$15 in ESV, KJV, or NKJV. Get 20% off orders of three or more flipbooks.

SCRIPTURE MEMORY CAMP TESTIMONY

Lily (age 15)

Scripture Memory Camp 2024 immersed me in an incredible experience and built up my relationship with the Lord. I love participating in a program that treasures the Word of God and emphasizes Scripture and actually living the words you read. The leaders at camp treat the Bible like it is, the words of the One who marks out the universe with His hands. Through the classes, rallies, Morning Watches, and services, I learned to appreciate and rely more on the Book of the Lord and the Lord of the Book. Then, doing all of the activities at camp was over-the-top AWESOME, and we had opportunities to live out the Bible by trying new things, being courageous, and doing everything for God. I made some great friendships and really had an amazing time at camp. I can't wait (like, I really don't think I can wait) for Camp 2025!

SPIRITUAL LIFE SERIES: CONTENTMENT

Are you interested in knowing what the Bible teaches about essential topics for daily, godly living? Then the Spiritual Life Series is for you! It is designed to help you “keep in step with the Spirit” by memorizing critical Scriptures on various practical topics (Gal. 5:25). The series currently includes *Stewardship*, *Thoughts*, *Marriage*, and *Prayer*. SMF is now pleased to announce a new addition to the series: *Contentment*.

Contentment is a memory course that takes you through 20 verses on Christian contentment. A devotional for each lesson is provided as well as devotionals for each passage. Answer the study questions on your own or with a friend. At the end of this book, you'll find a collection of quotes on contentment by Charles Spurgeon.

The *Contentment* memory book is available for \$5 in ESV, KJV, or NKJV.

SCRIPTURE MEMORY RESOURCES

Are you looking to engage your youngest learner with Scripture memory?

Check out one of SMF's newest memory courses! *God Made the Mountains* helps children learn the first thing Scripture reveals about God: He Is our Creator (Gen. 1:1). Each page includes an illustration that highlights God's Creation, a Bible verse, and an excerpt from the *God Made the Mountains* song. Our prayer is that this book will help your children know and love God's Word "from childhood" (2 Tim. 3:15).

God Made the Mountains is available for \$12 in ESV or KJV.

REMEMBER THE WORDS

In a culture where the Bible is accessible from almost anywhere, it's easy to think of Scripture memorization like a fax machine: outdated and unnecessary. After all, why memorize the Bible when it's always within arm's reach? *Remember the Words* answers this question and offers compelling evidence that Scripture memory deserves to be a priority in the 21st century. Even if you have a bad memory, you'll find the motivation and practical tools you need to make Scripture memory a consistent (and enjoyable) part of your daily life.

MINISTRY UPDATE

*"For everything there is a season, and a time for every matter under heaven."
(Ecclesiastes 3:1)*

As SMF transitions from our annual travel season to a season of program development, several new projects are on the horizon including memory courses on heaven, parenting, and Psalms. Stay tuned for more information in the coming months!

We also invite you to pray about SMF's upcoming staffing transition. After nearly a decade of full-time ministry, my wife will be moving into a part-time role at SMF as we prepare to welcome our first child. In addition to helping develop many of SMF's flagship resources, Laura has served memorizers across the globe through her faithful ministry over the years. She has packed and shipped tens of thousands of books, answered countless phone calls and emails, and attended dozens of live events promoting the priority and practice of Scripture memory. We praise God for all He has accomplished through Laura's ministry as well as the joyous occasion for this change.

We are also excited to share that God has already provided SMF's next full-time staff member! After serving at SMF for over a year in a part-time capacity, Gloria Fuqua will step into her new full-time role as Office Manager later this month. Scripture memory has been an important part of Gloria's spiritual journey, and we trust God will be glorified through her increased role at SMF. Please join us in praising God for His timely provision of our staffing needs and pray for His continued blessing on this transition.

Times and seasons change, yet Scripture remains "firmly fixed in the heavens" (Psa. 119:89). Thank you for your partnership in SMF's ongoing ministry of planting the good seed of God's perfect and unchanging Word.

In Christ,
