

SCRIPTURE MEMORY
— FELLOWSHIP —

DECEMBER
2025

Double Impact Fundraiser 2025

SMF has been sustained by God's grace through the faithful partnership of friends like you. As we prepare to begin a new year of ministry, we're praying that God will once again provide through His people to fuel another year of planting the good seed of God's Word (Luke 8:11).

Thanks to several generous donors, every donation this December will be matched dollar-for-dollar up to \$50,000. Your gift this month will go twice as far and help us complete *Songs of the Soul, Volume 2*, develop a brand-new memory course on faith, and produce another album of word-for-word Scripture songs. You'll also help bring Scripture memory to churches and conferences across the country. In very tangible ways, your support will help people who have never

memorized Scripture experience the joy and blessing of God's Word hidden in their hearts.

Visit scripturememory.com/donate to give online, or use the enclosed envelope to give by mail. Thank you for your partnership in helping people know, live, and love God's Word!

Memorizer's Testimony

Christine in Massachusetts

We are a few days away from a pastor appreciation celebration at our home church, and 19 different members have worked to corporately memorize Galatians 5 and 6—each person taking 1-4 verses. We have married couples who have never memorized before.... husbands leading their wives! We have a precious girl with great mental and physical disabilities who is singing the fruits of the spirit!

The way this small effort has unified our little church has been huge. It is a secret surprise for our pastor, and I'm pretty sure it will greatly bless him. What pastor doesn't want his flock to be memorizing together? We never would have been attempting such a beautiful thing if it wasn't for the work of SMF. Thank you for your continued encouragement.

Registration for Camp 2026 is now open! This year's memory course is Songs of the Soul, Vol. 1. You can learn more about this course on the next page. Don't miss out on the fun—visit scripturememory.com/camps for details today!

MINISTRY UPDATE

"...I do not forget your commandments."

(Psalm 119:176)

I've had the privilege of serving with Scripture Memory Fellowship for more than a decade, and every December represents an opportunity to look back and marvel at God's grace, power, and provision. This year has been especially remarkable. Through God's continued provision from donors like you, SMF is helping more people than ever memorize Scripture. Here are just a few milestones from the past year:

ABIDE. Memorizing Scripture is meant to happen in community, not in isolation. That's why we launched ABIDE, a new ministry that brings believers together to read, recite, and memorize God's Word. Learn more and join the community at: scripturememory.com/abide.

Songs of the Soul, Vol. 1. This new memory course features key verses from the first 75 Psalms, combining music, meditation, and memorization to help God's people hide His Word in their hearts.

For You Are With Me. Our latest word-for-word Scripture song album was released in October and is now streaming around the world, helping individuals, families, and churches sing God's Word together.

VerseLocker. Tens of thousands of people in more than 100 countries used our free Bible memory app to memorize Scripture this year.

Looking ahead, 2026 is rich with opportunity. Songs of the Soul, Vol. 2 is well underway, as is a new memory course on faith and another album of Scripture songs. We're also asking God to provide for unexpected yet necessary website upgrades, additional travel, and technology updates in our recording studio. Would you prayerfully consider partnering with us in bringing these things to fruition? Thanks to several generous donors, your year-end gift will go twice as far (pg. 1).

As always, please keep SMF in your prayers, let us know how we can pray for you, and be blessed as you memorize Scripture.
