MINISTRY UPDATE

"I will ponder all your work, and meditate on your mighty deeds."

(Psalm 77:12)

What are you pondering today? For the psalmist, the answer was simple: the works and mighty deeds of God. What often clutters our minds on a Tuesday morning are thoughts of *our* works and *our* deeds. Memorizing Scripture is a powerful way to recalibrate our thoughts and focus on the eternal things of God.

As SMF strives to help believers succeed in this important discipline, we give thanks for a tremendously fruitful summer:

This summer's Scripture Memory Camp was unforgettable. Each morning began with a lakeside devotional, followed by Bible classes and Rapid Recall, a friendly competition where campers recite the verses they've learned. Mark your calendars for July 5-9, 2027, and make plans to join us next year!

ABIDE continues to gain traction globally. These weekly meetings provide an opportunity for memorizers to connect over Zoom for an hour of reciting, hearing, and memorizing Scripture in community. Join one of SMF's **ABIDE** groups at scripturememory.com/abide, or reach out to us for help starting your own.

Songs of the Soul, Vol. 2, released this summer, featuring key verses from Psalms along with devotional content from Charles Spurgeon's *Treasury of David*. The Songs of the Soul series is quite literally a "greatest hits" album, as the verses were chosen based on the most popular memory verse from each Psalm in VerseLocker! You can learn more and order the set at scripturememory.com/sos.

Looking ahead, please pray for SMF as we prepare for next month's semi-annual board meeting. This meeting will focus especially on strategic planning as we consider ways to help people memorize Scripture even more effectively. Pray for wisdom and insight during these important conversations. Pray also for fruitful ministry as we promote Scripture memory at the SING! Conference in Nashville, TN this month.

Thank you for your role in the ongoing ministry of SMF. Your prayers and financial support impact countless lives, and we can't wait to see what God has in store next!

In Christ,
