## Stepping on the Gas for Indonesia

God has opened doors wide for His word in the fascinating land of Indonesia, where Phil and Jacky Walker spread Scripture memory songs and tools through the students of Setia Bible College in Jakarta. Stan Blair, composer of many Scripture song videos, travels to Indonesia February 27 to March 12 to teach Scripture songs in our new SwordGrip program. After our March 16-17 board meeting, Stan is available to visit your church to share SMF's work in Indonesia.

## Jonah Program

We're happy to report that more than 500 memorizers have enrolled to memorize these 48 verses. After completing the entire book, Camille in Minnesota wrote, "Thank you so much for the encouragement to do this! Not only can I believe I actually did it, but I learned so much from the life of Jonah!" Memorizing Jonah qualifies children and youth for camp scholarships (see reverse).

## SMF App

### New Memory Books!

**SwordGrip** Matching the new paper-and-ink flipbook (see reverse), the app now offers these key verses from each New Testament book. Learn 82 verses over 27 weeks.

**Why Memorize?** Memorizing is hard, but it's worth every bit of effort! Learn 15 verses over 12 weeks that will motivate you to memorize for life.

Both app memory books include study questions, commentary, and practice features.

## Ministry Update

We bless the Lord for moving His people to invest in the planting of His word! Thank you, and may the Lord "... supply and multiply the seed you have sown and increase the fruits of your righteousness" (2 Cor. 9:10). By God's grace, we have been enabled to catch up on all our bills and set aside money to print SwordGrip. Please pray that many churches and families would take up the challenge to memorize God's word with SwordGrip. Pray that we would continue treasuring God's word even as we challenge others to do so.

We thank God for you. Much grace to each of you,

Jim Woychuk
