

## SCRIPTURE MEMORY — FELLOWSHIP —

June 2018 Newsletter

**“He who has the Son has life; he who does not have the Son of God does not have life.” 1 John 5:12**

### *The Measure of True Success*

What is the measure of a life well lived? If you browse your local library for books on professional success, financial success, marital success, or academic success, you'll find no shortage of resources and advice. But the Apostle John, writing some 50 years after witnessing the death and resurrection of Christ, summarizes true success in only a few words: “He who has the Son has life.” By contrast, our earthly achievements notwithstanding, “He who does not have the Son of God does not have life.”

The pathway to life is clearly marked in Scripture. Only through God's Word do we understand that “... we are in Him who is true, in His Son Jesus Christ ...” (1 John 5:20). But all too often, this life-changing truth is forgotten as distractions of every sort beg our time and consume our energy. When unexpected busyness floods our schedule, Scripture memory and other spiritual disciplines are often the first to be sidelined. The result? We forget who we are in Christ because we're too busy remembering who we are to everyone else!

As we consider what it means to follow Christ, John's closing appeal to keep ourselves from idols (1 John 5:21) is particularly relevant. In response, let us deal swiftly and ruthlessly with any idols that keep us from fully knowing and abiding in Christ. Indeed, “... This is the true God and eternal life” (1 John 5:20).
