# ABIDE

*SMF is excited to introduce a new ministry initiative: ABIDE.*

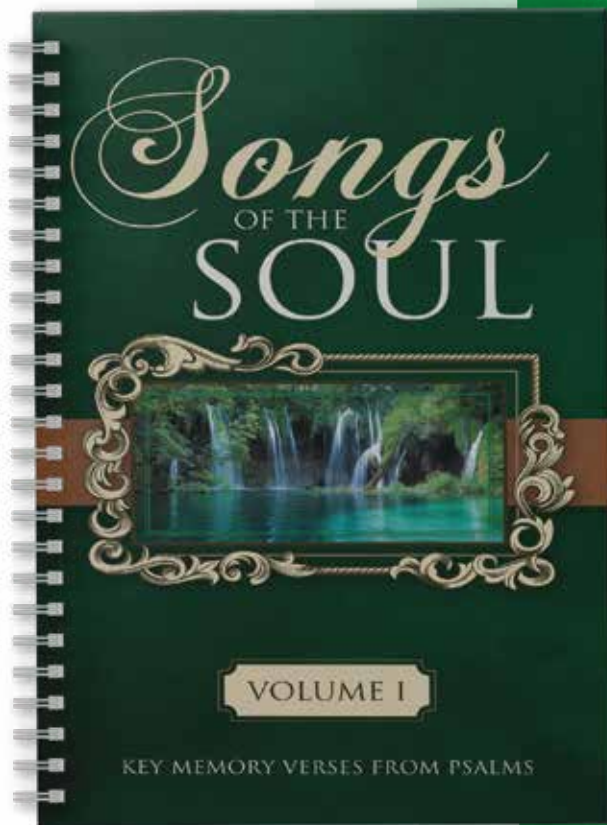

ABIDE is a vibrant community of believers dedicated to immersing themselves in God's Word through regular reading and memorization. This group meets weekly via Zoom for about an hour, creating a consistent space where participants engage in the public reading of Scripture and community Scripture memory.

Whether you're seeking greater accountability, deeper spiritual growth, or meaningful fellowship with others who treasure the Word of God, ABIDE offers a unique opportunity to grow in faith together. Come be refreshed, challenged, and rooted in Scripture as we learn to abide more fully in Christ.

Visit [scripturememory.com/abide](https://scripturememory.com/abide) to learn more and sign up today!

*Songs of the Soul, Vol. 1* provides an in-depth study of the book of Psalms, featuring a key memory verse from each psalm along with rich devotional content. Memorizers who complete this course will gain a thorough understanding of the psalter's main themes, as well as a priceless collection of 75 memory verses that will prepare them for every season of life.

## Camp Testimony- Mary T.

I was first drawn to Scripture Memory camp because it was in Louisiana, a state where I had never been, which is a twelve-hour road trip from Kentucky. Another draw was being able to experience camp together with our 5 boys in an affordable way. But perhaps most importantly, camp for us doesn't begin in the summer—it begins in September when we first start working on our verses.

At times, I wonder if they're really "getting" it—are these verses just a pathway to camp, or are they actually producing change? My 11-year-old son Calvin came up to my husband this spring though, and said something along the lines of "I know you're having a hard time, and I think a verse I'm learning for camp would be helpful to you..." Yes!

I'm thankful for investment—the investment of God's Living Word inside us that will bear fruit for years to come, the investment of leaders who poured into our sons, and the investment of money to allow us to go as a family. So, so grateful!

# MINISTRY UPDATE

*"...If you abide in my word, you are truly my disciples."  
(John 8:31)*

God has been at work in very impactful and exciting ways since our last newsletter. For starters, our annual week of Scripture Memory Camp was a tremendous success. We also hosted Like a Tree Conferences in Louisiana and Tennessee. Like a Tree is a one-day event packed with motivation and resources to help churches memorize God's Word. Visit [scripturememory.com/tree](http://scripturememory.com/tree) to learn more about hosting Like a Tree at your church.

After much planning and prayer, we officially launched ABIDE (pg. 1). ABIDE is a community of memorizers who meet regularly to read, memorize, and recite God's Word together. You can learn more and sign up at [scripturememory.com/abide](http://scripturememory.com/abide).

We are also excited to announce the addition of Luke Hutterer as SMF's newest full-time staff member. Luke serves as our Program Administrator, overseeing the production of SMF's various initiatives, publications, and resources. Relatedly, Randy Williamson has been promoted to oversee our newly-launched ABIDE ministry and the creation of new Scripture memory courses. Please pray for Luke and Randy as they serve God in their new roles at SMF.

Looking ahead, please pray for us as we work on developing memory courses for next year. Pray also for God's continued provision for our financial needs; giving in June-July was about \$14,500 less than expected. If you'd like to support SMF's continued ministry of planting God's Word, please use the enclosed envelope or visit [scripturememory.com/donate](http://scripturememory.com/donate).

"Now may the God of peace himself sanctify you completely, and may your whole spirit and soul and body be kept blameless at the coming of our Lord Jesus Christ. He who calls you is faithful; he will surely do it" (1 Thess. 5:23-24).
