Discounts for Individuals, Ministries, and Churches

In general, we try to keep our prices low, but we do offer discounts at these levels on most items:

20 or more of a single title: 20% discount

50 or more of a single title: 30% discount

100 or more of a single title: ask if any further discounts are available for that title

SwordGrip flipbooks have a special discount of 20% when you purchase three or more copies. For this discount, you're welcome to mix and match OT/NT and/or translations.

Due to supplier/printing costs, we do have some exceptions and limitations on discounts. See below for the most current exceptions and limitations. 8.5 x 11 memory courses generally do not have discounts because they are printed on-demand, in-house.

Many churches and ministries can place tax exempt orders. If you're paying with funds from a tax exempt entity, contact us for a simple form to sign. Please note you should order via phone or email since the website will charge sales tax.

To place an order, use our website, call 888.569.2560, or email contact@scripturememory.com. If you prefer to mail in a check, please call first with your list of items; we'll give you the full total with sales tax and shipping. This will allow your check to process promptly when it is received.

Please do not allow finances to stand in the way. If you can use our resources, we want you to have them! If you need a reduced price or even free items, we're happy to work with you.

PRICE LIST Items in *italic* are available but not listed in the 2021 catalog.
